Dear Sir/Madam,

15 November 2006

## Protection of Endangered Species of Animals and Plants Ordinance Commencement Notice

Please be informed that the Secretary for the Environment, Transport and Works has appointed 1 December 2006 to be the day on which the Protection of Endangered Species of Animals and Plants Ordinance (the new Ordinance) shall come into operation. The commencement notice has been published in the Gazette on 6 October 2006.

Under the new Ordinance, the import, introduction from the sea, export, re-export or possession of specimens of a scheduled species, whether alive, dead, its parts or derivatives (including medicines containing scheduled species), requires a licence to be issued in advance by this Department. Under certain circumstances, dealings in scheduled species without licence are permitted. A grace period of 6 months is also provided for possession of specimens of scheduled species which do not require a licence under the repealed Animals and Plants (Protection of Endangered Species) Ordinance. The grace period will expire on 31 May 2007 and a licence must be obtained from this Department if the specimen is still in possession on the expiry of the grace period.

Please note that the new Ordinance also covers species that were listed by the 13<sup>th</sup> meeting of the Conference of the Parties to the Convention on International Trade in Endangered Species of Wild Fauna and Flora, such as humphead wrasse, for which a licence is required for their import, introduction from the sea, export, re-export and possession unless otherwise specified. All shipments must also be inspected by an authorized officer upon landing or prior to export or re-export\*.

For details of the new Ordinance, you may browse our website at www.cites.org.hk.

Should you have any queries, please contact our Mr. C. L. Kung at 2150 6984 or Ms. B. M. Koh at 2150 6967.

Yours faithfully,

(C.S.CHEUNG)

for Director of Agriculture, Fisheries and Conservation

\* For enquiries regarding inspection of humphead wrasse imported by air, please call 2182 1001.
