

MARINE PARKS AND MARINE RESERVES REGULATION (CAP. 476A)

**PERMIT OF CONDUCTING BUSINESS ACTIVITY (CARGO LOADING/UNLOADING/
TRANSHIPMENT) IN THE BROTHERS MARINE PARK**

APPLICATION GUIDE

(Applicable for conducting cargo loading/ unloading/ transhipment by ocean going vessels)

Marine operator who wishes to conduct business activity (including loading/ unloading/ transhipment of cargos) at Mooring Sites in The Brothers Marine Park must apply for a business activity permit from the Agriculture, Fisheries and Conservation Department (AFCD). Application procedures and point to note in submission of permit application are listed below:

Content of Permit

Ocean going vessel with marine park business activity permit is allowed to operate for a single 48 hour period within the specified period, while the permit only allows a maximum of 1 ocean going vessel, 4 barges, 4 tug boats and 8 river trade vessels participating in the cargo loading/ unloading/ transhipment activity.

Application Procedures

1. Applicant can download the application form “Application for permit to conduct business activity (cargo loading/ unloading/ transhipment) in The Brothers Marine Park” from the AFCD website (http://www.afcd.gov.hk/english/permit/permit_cou/cou_app_primp.html).
2. Applicant shall submit the permit application to the Marine Parks Division of AFCD **3 working days prior to the cargo loading/ unloading/ transhipment activity**, by mail, email or fax.
3. The contact of the Marine Parks Division of AFCD is shown below:
Postal Address : 6/F, Cheung Sha Wan Government Offices, 303 Cheung Sha Wan Road, Marine
Parks Division of Agriculture, Fisheries and Conservation Department
Email : marineparks_permit@afcd.gov.hk
Tel. No. : 2150 6801
Fax No. : 2152 0060

4. Applicant should submit the following documents for permit application:
 - i. Completed application form;
 - ii. Copy of applicant's valid HK Identity card or passport;
 - iii. Copy of relevant document of involved vessels (licence of ocean going vessel included)

5. Applicant should read and fully understand the guideline stipulated under the Marine Parks and Marine Reserves Regulation (Cap.476A) and special conditions of the permit as shown below:

Guideline Stipulated under the Marine Parks and Marine Reserves Regulation :

According to the Marine Parks and Marine Reserves Regulation (Cap.476A), the following activities should not be carried out within the boundary of Marine Park:

- ❖ Operating power driven vessels at a speed exceeding 10 knots
- ❖ Unauthorised fishing, hunting and removal or taking away any animal or plant
- ❖ Unauthorised collection of any marine life or resources
- ❖ Obstructing, polluting the water body or discharge of waste
- ❖ Unauthorised anchoring or mooring outside the designated Mooring Sites
- ❖ Unauthorised business or hawking activity
- ❖ Damage of any shoreline feature located on a beach, mudflat, cliff or seabed in or at the boundary of marine park
- ❖ Damage any sign, notice or other devices managed by AFCD
- ❖ Any destructive fishing practices, such as trawling, spear gun, explosive, chemical or electric charge
- ❖ Water-skiing, operating of a jet ski or water scooter
- ❖ Fish culture
- ❖ Unauthorised display of any sign, notice, poster, banner or advertisement
- ❖ Unauthorised holding of any public meeting, boating, sporting competition or funds raising activity
- ❖ Unauthorised operation of any power-driven model boat or aeroplane

Special Conditions:

- ❖ Applicant should comply with provisions in the Marine Parks and Marine Reserves Regulation (Cap.476A) for conducting business activity (cargo loading/ unloading/ transshipment) in Marine Park, vessel operations (including the release of ballast water) should not cause any pollution to seawater.
- ❖ No intake of seawater within Marine Park as ballast water to avoid taking any marine life.
- ❖ Copy of ballast water exchange record should be submitted to the Marine Parks Division of AFCD after the cargo loading/ unloading/ transshipment activity, so as to facilitate the monitoring of ballast water exchange activity during mid stream operation.

6. Demand note will be issued to applicant by AFCD upon the receiving of completed application form and relevant document required. The permit fee is HK\$180.
7. Applicant may pay the permit fee through ATM, PPS, Internet, by post or in person at post office or convenience store.
8. Under normal circumstances, AFCD will complete the vetting process within 3 working days upon receiving of completed application form and relevant document required, and permit will be issued by post and email.
9. Applicant should notify the Marine Parks Division of AFCD with the date, time and information of the involved vessels (including the licence numbers and contact of barges, tug boats and river trade vessels) **24 hours prior to the cargo loading/ unloading/ transhipment activity by email (hiuyan_li@afcd.gov.hk) and fax (2458 1136).**
