根據《保護瀕危動植物物種條例》，

進口、出口（包括再出口）或管有《瀕危野生動植物種國際貿易公約》（《公約》）列明的瀕危物種，均受許可證制度規管。若管有瀕危動物作非商業用途，如私人寵物，則可豁免許可證的要求，但該動物必須是合法獲得的。購買者應要求售賣商提供有關的交易單據及先前出口地的有效《公約》出口准許證副本。如屬附錄II的野生體動物，應同時要求售賣商提供漁農自然護理署簽發的進口許可證副本，作為合法來源的憑據。

Under the Protection of Endangered Species of Animals and Plants Ordinance,

import, export (including re-export) or possession of endangered species listed under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) is subject to licensing control. The Ordinance gives exemption from licensing requirement for the possession of endangered animals for non-commercial purposes, such as personal pet, provided that the animal is legally acquired. Buyers should obtain from the pet shop an invoice and a copy of the valid CITES export permit issued by the previous exporting place. If the live animal is a CITES Appendix II species of wild origin, a copy of the import licence issued by Agriculture, Fisheries and Conservation Department should also be obtained as proof of legal source.
