

《基因改造生物（管制釋出）條例》

Genetically Modified Organisms (Control of Release) Ordinance

《條例》管制基因改造生物的進出口及環境釋出，避免基因改造生物的環境釋出可能帶來的不利影響，從而保護香港的生物多樣性。

The Ordinance controls the release into the environment as well as the import and export of genetically modified organisms (GMOs) so as to protect our biodiversity from the possible adverse impacts of environment release of GMOs.

不可把基因改造觀賞魚釋放到河溪
Do not release GM aquarium fish
into streams

不可種植未獲核准的基因改造植物的種子
Do not cultivate seeds of unapproved
GM plants

不可從外地攜帶未獲核准的基因改造植物種子
到香港作種植之用
Do not bring seeds of unapproved GM plants
from abroad to Hong Kong for cultivation

不可在戶外環境展示基因改造鮮花
Do not display GM flowers in an
outdoor environment
