Remarks:

- The lecture, field trip and bird race are mainly conducted in Cantonese, supplement by English if necessary.
- 2 teams from each school (Each team should complete a separate form and each team should be under the guidance of one teacher). **Application deadline: 11 November 2006.**
- For field trip and Bird Race, all participants should arrange their own transportation to the assigned gathering point. Shuttle bus will be provided only within the HKWP area.
- All participants should bring their own binoculars; HKWP can only provide one binoculars for every two participants.
- Copy of this application form is acceptable.
- The above activity will be cancelled when Thunderstorm Warnings (Amber, Red or Black); or when Typhoon Signal No. 3 or above is hoisted, according to Hong Kong Observatory's announcement at 7am/12 noon of the day.
- Personal Data Collection Statement:** The personal information collected will only be used for the activity related to Hong Kong Wetland Park and will be kept strictly confidential. If you need to check or amend any personal details, please write to Hong Kong Wetland Park.

Hong Kong Wetland Park -- The 7th “Inter-school Bird Race”

The 7th “Inter-school Bird Race” is organised by Hong Kong Wetland Park (HKWP), and co-organised by the Hong Kong Bird Watching Society. Our aim is to introduce waterbirds and the importance of their habitats. This activity will include 3 sections:

Sections	Date	Time	Venue
Lecture on bird watching technique	25 November 2006 or 9 December 2006	10:00a.m. to 1:00p.m.	HKWP
Field trip at HKWP and Tsim Bei Tsui	2 December 2006 or 16 December 2006	9:00a.m. to 1:00p.m.	HKWP and Tsim Bei Tsui
“Inter-school Bird Race”	31 December 2006	9:00a.m. to 3:00p.m	HKWP and Tsim Bei Tsui

Applicants can choose to apply for joining the all the 3 sections or only the “Inter-school Bird Race”. Participants will receive a certificate if they have completed all the 3 sessions.

The 7th “Inter-school Bird Race” is a challenging event. The route for bird race covers various types of habitats. Participants are required to design the best route for recording the highest number of bird species. All lecture, field trip and the competition should be in a group of 3 students, and in the presence of 1 teacher. Each school can register a maximum of 2 groups for the competition. There will be 5 prizes given to the top five outstanding participating schools. Each prize consists of a trophy and gifts.

Interested parties please download and complete the application form and fax to us (2617 1158) on or before **11 November 2006**. Applications will be processed on a first-come-first-serve basis. Should you have any enquiries, please contact us by fax (2617 1158).
