

Preparation of Proposal

for Involvement of Non-Governmental Organizations (NGOs) in Country Park Plantation Enrichment Programme (PEP)

The content of proposal should include, but not limit to, the following:

- (i) general description of the existing site conditions;
- (ii) types of the proposed enrichment work;
- (iii) proposed species of native tree seedlings to be planted in the PEP site;
- (iv) implementation methodology and schedule;
- (v) deliverables (e.g. annual progress reports and final report);
- (vi) funding arrangement and details of supporting/sponsoring bodies for the programme;
- (vii) publicity plans;
- (viii) staff arrangement, such as details of Project Manager, management team and their profession knowledge and experience in woodland habitat management.
