

New trail near Pak Shek Hang will be opened as part of Tai Lam Chung Reservoir Mountain Bike Trail on 23 September 2017

Starting from 23 September 2017, a new trail of about 700m long near Pak Shek Hang will be opened for uphill riding and becomes part of Tai Lam Chung Reservoir Mountain Bike Trail (refer to map below for its alignment). The original trail nearby will continue to be opened for descent by mountain bikers.

The new trail and the relevant uphill and descent traffic arrangement aim to increase the safety of mountain bikers by avoiding head-on crashing.

The new trail is designed and constructed in accordance with the sustainable trail standards of the International Mountain Bicycling Association (IMBA). Mountain bikers steadily riding up the new trail will be able to enjoy a spectacular view of Tai Lam Chung Reservoir.
