

Application Procedure of Importation of Dogs and Cats from Group II Countries/Places

Step 1

- Apply Special Permit for Importation (Valid for 6 Months)
- Require at least 3 working days to process the application (Not include application day and dispatch day)
- Read the terms stipulated in the Special Permit granted to you

Step 2

- Get Vaccinated
 - *Anti-Rabies Vaccination*
 - Not less than 30 days and not more than 1 year prior to export to Hong Kong
 - *Other Vaccinations*
 - Not less than 14 days and not more than 1 year prior to export to Hong Kong
 - Dogs - Canine Distemper, Infectious Canine Hepatitis and Canine Parvovirus
 - Cats - Feline Panleucopaenia (Infectious Enteritis) and Feline Respiratory Disease Complex (Cat Flu)
 - Make sure the animal has been microchipped

Step 3

- Arrange transportation to import the animal
- Prepare Animal Health Certificate and Residence Certificate, issued not more than 14 days before export
- Submit copies of documents to our Airport Office for checking

Step 4

- Notify Duty Officer of the Import & Export Section at least 24 hours before the anticipated time of arrival

Step 5

- Transport the animal to Hong Kong as Manifested Cargo and Prepare Airline Certificate (Captain's Affidavit)

Step 6

- Collection of Animal at Hong Kong International Airport
