IMPROVING PIG HEALTH AND PRODUCTION IN HONG KONG FOR THE PERIOD FROM 1 MARCH 2019 (COMMENCEMENT DATE) TO 31 JULY 2021 (COMPLETION DATE)

INDEPENDENT AUDITOR'S ASSURANCE REPORT TO THE PRESIDENT OF CITY UNIVERSITY OF HONG KONG

Pursuant to the agreement made between City University of Hong Kong ("the University") and the Government of the Hong Kong Special Administrative Region ("the Hong Kong SAR Government") and the Sustainable Agricultural Development Fund ("SADF") - Application Guidelines in respect of the SADF project under the SADF dated 13 December 2018 ("the Agreement"), we have undertaken a reasonable assurance engagement on the final accounts of Improving Pig Health and Production in Hong Kong ("the Project") (Project number: SADF – 0009) as set out in pages 4 to 8 ("Project Accounts") which comprise the income and expenditure statement, statement of financial position and statement of cash flows for the period from 1 March 2019 (commencement date) to 31 July 2021 (completion date), and notes to the accounts.

Respective responsibilities of the University

Pursuant to the Agreement, the University is to comply with the requirements (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of SADF, as specified in the following documents:

- (a) the agreement dated 13 December 2018 and supplemental agreements dated 28 September 2020 and 28 October 2020 made between the University and the Hong Kong SAR Government in respect of the Project and the appendices thereto (which includes the Project proposal) (the "Agreements");
- (b) the relevant "SADF Application Guidelines" referred to in the Agreements; and
- (c) all instructions and correspondences issued by the Director of Agriculture, Fisheries and Conservation ("DAFC") to the University in respect of the Project.

Quality control and independence

We have complied with the independence and other ethical requirements of the *Code* of *Ethics for Professional Accountants* issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Our firm applies Hong Kong Standard on Quality Control 1 Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Auditors' responsibility

Our responsibility is to express an opinion on the Project Accounts, based on our work performed and to report our opinion.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information issued by the HKICPA and with reference to the Notes for Auditors of Recipient Organisations issued in November 2016 by the SADF Secretariat (the "Notes"). We have planned and performed our work to obtain reasonable assurance for giving our opinion below.

Our engagement includes performing the procedures set out in the Notes and examination, on a test basis, of evidence supporting the requirements (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of SADF, as specified in the documents mentioned in the respective responsibilities of the University section have been complied with, in all material respects.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

Based on the foregoing, in our opinion, the University has complied with, in all material respects, the requirements set by DAFC (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of SADF, as specified in the documents mentioned in the respective responsibilities of the University section.

NOTES TO THE ACCOUNTS

1. Basis of Preparation of the Accounts

These accounts represent the final accounts of the Improving Pig Health and Production in Hong Kong ("the Project") for the period from 1 March 2019 (commencement date) to 31 July 2021 (completion date), and have been prepared in accordance with the following documents:

- (a) the agreement dated 13 December 2018 and supplemental agreements dated 28 September 2020 and 28 October 2020 made between City University of Hong Kong ("the University") and the Government of the Hong Kong Special Administrative Region in respect of the Project and the appendices thereto (which includes the Project proposal) (the "Agreements");
- (b) the relevant "SADF Application Guidelines" referred to in the Agreements; and
- (c) all instructions and correspondences issued by the Director of Agriculture, Fisheries and Conservation (DAFC) to the University in respect of the Project.

2. Significant Accounting Policies

(a) Income and expenditure

Income and expenditure are recognised on an accrual basis.

(b) Interest income

Interest income from bank deposits, kept in the bank accounts of the University, is accrued on a time-proportioned basis on the principal outstanding relating to this Project, in accordance with the Guide to the Sustainable Agricultural Development Fund ("SADF").

(c) Equipment

Expenditure on equipment is recognised on an accrual basis and is charged in full to the income and expenditure statement in the period in which it is acquired.

NOTES TO THE ACCOUNTS (CONTINUED)

3. Operating Cost

The amount represents the costs incurred during researches, which mainly represents cost of stakeholder communication and use of vehicle.

4. Staff cost

Manpower costs include the salary (including employer's contribution to the Mandatory Provident Fund, but excluding allowances) incurred in the employment of the team members relating to this Project.

5. Equipment

The University adheres to its established standard procedures and general procedures in the Application Guidelines referred to the Agreement for procurement of equipment.

6. Surplus on Completion/ Deficit for Current Period

On completion of the Project, any deficit is to be absorbed by the University and any surplus is to be refunded to the SADF in accordance with the Agreements.
