

於二零一七年十一月五日及十二月十日，本署分別舉行了兩天建造單車徑義工同樂日，在國際越野單車協會的專家帶領及指導下，義工們與本署職員一同為田夫仔北越野單車徑進行維修及改善工程，維修了多個手臂灣，髮夾彎，內斜彎，又為不少路段去除積水，以及將碎石路大大改善。雖然過程充滿汗水，但大家都體驗到如何專業地建造越野單車徑，渡過了充實又愉快的兩天。

This department organized two mountain bike trail-building volunteer fun days on 5th Nov and 10th Dec 2017. Under the lead of the International Mountain Bicycling Association trail specialist, volunteers and AFCD staff managed to fix several climbing turns, switchbacks and insloped berms, improve the drainage along several parts of the trail, and substantially improve the “Rock Garden” of Tin Fu Tsai North Mountain Bike Trail to a sustainable trail standard in a professional way. We did spend two sweaty and fun days!
